

SUBJECT: iONE REMOTE

We are pleased to introduce the new **iONE REMOTE: Remote diagnosis service to support traditional diagnostic devices**

This service will allow you to make adjustments on vehicles that are not available on your tool. A team of experts will support you and carry out the work remotely.

#### AVAILABLE SERVICES

- ADAS calibrations\*
- Steering angle reset
- Error reading and deletion
- Service reset

More services will be available soon

*\*Some calibrations may require specific equipment to complete the adjustments.*

#### WHAT DO YOU NEED?

- iONE REMOTE device
  - Tablet, PC or Laptop
  - Internet connection
  - Enabling the service by purchasing a credit subscription
- A fixed number of credits will be charged according to the service provided.

## HOW DOES IT WORK?

1. Connect  
iONE REMOTE  
to the vehicle

2. Book the  
remote service  
you need

3. Our technicians will  
carry out the service  
remotely

4. You will receive  
a final report

Service available for sale:

- **iONE REMOTE device, code 0-67501700** (including 2 credits)
- **Remote support service, code 8-62500003** - Credit recharge (10)
- **Remote support service, code 8-62500004** - Credit recharge (30)
